PATRONS CIRCLE

Throughout Muslim history, many of the most illustrious institutions thrived thanks to the sadaqa and zakat of individuals. To continue this tradition, we invite you to join Masjid Umar Bin Khattab as a Patron.

We set up the Patrons Circle to bring together a group of like-minded supporters who share our vision and want to support us with their resources, financial and otherwise. **We ask all Patrons to make a minimum contribution of \$50.00 annually.**

All Patrons will be invited to an annual Patrons' gathering in the B.C. We also organise ad hoc events in-person and virtually that are only open to Patrons. These gatherings give a fantastic opportunity for Patrons to see first-hand the impact of their support and to network with other Patrons.

If you wish to become a Patron, or if you have any questions, please email us at: **masjidubkis@gmail.com** or call **(778) 302-2191**

You can donate via the online platform, or please email us at the email above for bank transfer details. Thanks for your support.
